The Visible Difference®

Proper Ergonomic Design requires custom fitting products to individuals.

Infinity VUE™ Patented Optical Design

Provides Optimal Clarity AND Vision Up Ergonomics

Infinity VUE's patented optical design incorporates a special wedge prism to eliminate distortion and provide optimal clarity. US Patent #12,429,713 B1

ORIENTATION TO GRADUATION

Dental Education Program Warranty

Designs for Vision will warranty your Dental Loupes and/or LED Headlight from the time of purchase until the day of your graduation. All product parts when new will be free of defects in material and workmanship.

LOUPES

The optical seals, your choice of frame, and carrier lenses as well as frame parts such as temples and nose pads are included under this warranty.

LED HEADLIGHTS

Headlight assemblies; LED Optic, Power Pack, Power Supply, Charging Cradle, Charger and Cables are included under this warranty. LED DayLite® WireLess Mini batteries are considered replaceable parts and carry a one-year warranty.

Products under warranty are required to be maintained in accordance to the instructions included with your order and loupes must be stored in the protective case with the insert provided in place for proper protection. Modification, intentional mistreatment or damage, improper maintenance or cleaning procedures may void all warranty rights. Warranty will be voided if serviced by a party other than Designs for Vision or its authorized agent, or if any identification number has been altered or removed. Designs for Vision has the exclusive rights to determine if a product needs to be repaired or replaced.

Register products within 90 days of purchase to validate your warranty at:
www.designsforvision.com/Warranty/Activate.htm

All Orders include a

45 Day Worry-FREE Trial

Feel confident in your purchase by taking 45 Days to experience your new loupes and/or HDi Headlight in the student lab. If you find they're not the right fit, you can return them with no obligation.

EXCLUSIVE
